The 2024
Winter White Ball

Saturday, January 20, 2024

A time-honored tradition returns to the Oldest City as St. Augustine's Royal Family & The Krewe of the 13 hosts The 2024 Winter White Ball.

This will be a glamorous evening of live entertainment, dancing, and appetizers at the St. Francis Officers Club. This night of jollification was established to celebrate St. Augustine's founder, Pedro Menendez.

The St. Augustine Easter Week Festival is a nonprofit 501(c)(3), volunteer based organization committed to funding and organizing the annual city-wide Easter Festival, which culminates with the Easter Parade. For 65 years our organization has upheld this time honored tradition and celebrated the history of the Ancient City by appointing the city's goodwill ambassadors. Each year, three heritage natives are chosen to represent the city at various events. There, they promote and advertise St. Augustine through the authentic portrayal of the 1672 Spanish Royal Family Trio who commissioned the Castillo de San Marcos and reigned during its construction.

It is the fervent hope of our organization that, through the portrayal of these historical figures, we may represent the nation's oldest city and our heritage in a way that will educate the community and visitors to St. Augustine of the rich history that has been trodden into our very streets.

The Krewe of the 13 is a group of reenactors, who share and enjoy the fun and comradery of portraying the Golden Age of Piracy. We are pirates with a mission.... To support local individuals and families who, through no fault of their own, find themselves in dire need.

With the help of generous individuals and the support of local businesses, **Krewe of the 13 has given over \$100,000** to local families in need! We couldn't do it without your support.

The Krewe of the 13 is a 501(c)(3), not for profit, public charity since 2017. We are 100% volunteers which ensure all donations are directed towards families in need within our community.
